

A HIGHER °DEGREE OF SAFETY

Here at HarbisonWalker International (HWI) we take safety seriously. In fact it is our mission to ensure our employees leave their jobs each day in the same condition that they came into work. Now, with key partnerships in place, HWI is proud to extend our safety mantra to all of our customers and partners. HWI is proud to supply high quality, industry leading safety and personal protective equipment (PPE) products to the marketplace. With access to thousands of products in all categories of personal and industrial safety HWI can help you keep yourself and your people safe.

Hearing Protection

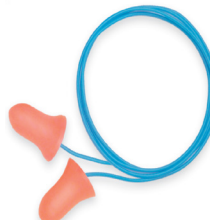

According to the Occupational Safety and Health Administration, twenty-two million workers are exposed to potentially damaging noise at work each year. In the past year it is estimated that US businesses paid more than \$1.5 million in penalties for not protecting workers from noise.

Whether your need is for an economical supply of ear plugs, noise blocking ear muffs, or a variety of hearing protection solutions, HarbisonWalker International can help you acquire the products you need to keep yourself and your team members safe.

HIGHER DEGREE OF SAFETY

To browse some of HWI's safety and PPE product offerings visit your local HWI Global Sourcing Center (GSC) or download our PPE brochure accessible at www.thinkHWI.com/higher-degree-safety/. Check back periodically as the catalog updates throughout the year. Don't see what your looking for or have additional requests? Let our HWI representatives know and we'll find the solution to fit your needs.

Check us out on-line to find the closest GSC to you, or call our toll-free number at the bottom of the page to be connected to closest GSC directly.

Howard Leight QM24Plus ear muffs, Laser Lite and Max ear plugs are among the hearing protection products offered by HWI.
