

HARBISONWALKER INTERNATIONAL STANDARD TERMS AND CONDITIONS FOR THE PURCHASE OF GOODS AND SERVICES

1. Agreement. These standard terms and conditions for the purchase of goods and services (“**Terms**”) exclusively govern the purchase of goods (“**Goods**”) and services (“**Services**”) by HarbisonWalker International, Inc., a member of the Calderys Group, together with its affiliates, including Calderys do Brasil Ltda., HarbisonWalker International Limited, and HarbisonWalker International, Corp. (collectively, the “**Buyer**”) from you, the seller, supplier, or transferor of such Goods and/or Services (“**Seller**”). Buyer’s offer to purchase Goods and Services is limited to acceptance of these Terms and no other terms or conditions. Buyer objects to and rejects any and all additional or different terms proposed by Seller, irrespective of when delivered or where located, and no such different or additional terms shall form part of this contract or be binding on Buyer. These Terms govern all purchase orders (“**Purchase Order**”) issued by Buyer to Seller. These Terms and any Purchase Order(s) issued by Buyer to Seller comprise the entire agreement (the “**Agreement**”) between Buyer and Seller relating to the Goods and Services, and supersede all prior or contemporaneous understandings, agreements, negotiations, and communications, both written and oral. Seller manifests its assent and agreement to the Agreement by acknowledging Buyer’s Purchase Order, shipping the Goods, or commencing performance of the Services, whichever occurs first.

2. Delivery of Goods and Performance of Services.

a. Seller shall deliver the Goods in the quantities and on the date(s) specified in the Purchase Order (the “**Delivery Date**”). If no Delivery Date is specified, Seller shall deliver the Goods within thirty (30) days of Seller’s receipt of the Purchase Order. If Seller fails to deliver the Goods in full by the Delivery Date, Buyer may cancel the Purchase Order and/or terminate this Agreement immediately, without liability to Buyer, and shall have available to it all rights and remedies available at law, including without limitation under (i) if in the United States, the Uniform Commercial Code; (ii) if in Canada, the Personal Property Security Act (Canada); or (iii) if in the U.K., the Bills of Sale Act. Buyer has the right to return or store any Goods delivered prior to the Delivery Date, at Seller’s expense. If returned, Seller shall redeliver such Goods by the Delivery Date.

b. Seller shall ship all Goods DDP (Incoterms 2020) Buyer’s location stated in the Purchase Order, during normal, local business hours unless otherwise instructed by Buyer. Buyer’s Purchase Order number must appear on all shipping documents, shipping labels, bills of lading (if applicable), invoices, correspondence and any other documents pertaining to the Purchase Order. Seller shall provide Buyer with shipping documentation showing the Purchase Order number, the quantity of Goods in shipment, and the number of cartons or containers in shipment.

c. Seller shall properly pack, load and ship all goods according to Buyer’s instructions or, if there are no instructions, according to highest industry standards, at all times in full compliance with all applicable laws and regulations. Seller must provide Buyer prior written notice if it requires Buyer to return any packaging material. Any return of such packaging material shall be at Seller’s risk of loss and expense. Seller bears all risk and loss arising from defects or delays in shipment arising from any actual or claimed infestation of, or defects in containers or packing material.

d. Seller shall provide all Services to Buyer as described and in accordance with any schedule or statement of work delivered in connection with a Purchase Order and in accordance with this Agreement.

e. Seller acknowledges time is of the essence with respect to Seller’s obligations hereunder, including, without limitation, timely delivery of the Goods and Services, all performance dates, timetables, project milestones, and any other requirements in this Agreement.

f. If Seller does not comply with any of its delivery obligations, Buyer shall be entitled to a credit equal to one (1.0%) of the Purchase Order price for each day that the Goods are late (as calculated from the delivery date on Buyer’s Purchase Order), applied to payment under the corresponding invoice plus any charges that Buyer’s customers impose on Buyer. Seller shall be responsible for all expedited freight or premium shipment for the Goods to be delivered by the delivery date. Seller agrees that such credit is not a penalty, but a reasonable approximation of the damages that late delivery will cause to Buyer. If any delivery of Goods is more than seven (7) days late, Buyer may, in Buyer’s sole discretion, and at Seller’s sole cost and expense, cancel the applicable Purchase Order and obtain similar goods from other sources without liability to Seller. Unless otherwise expressly agreed to by the Parties in writing, Seller may not make partial shipments of Goods to Buyer.

3. Quantity. Buyer shall not be required to make payment for Goods delivered to Buyer that are in excess of quantities specified in Buyer’s Purchase Order or Change Order (as defined herein). If Seller delivers more than the quantity of Goods ordered, Buyer may reject all or any excess Goods. Any such rejected Goods shall be returned to Seller at Seller’s sole risk and expense. If Buyer does not reject the Goods and instead accepts the delivery of Goods at the increased quantity, the Price for the Goods shall not be adjusted.

4. Title and Risk of Loss. Title and risk of loss passes to Buyer: for Goods, after unloading the Goods at Buyer’s location stated in the Purchase Order; for Services, upon Seller’s completion and Buyer’s acceptance thereof.

5. Inspection and Rejection of Nonconforming Goods and Services. Notwithstanding payment, passage of title or prior inspection, all items are subject to final acceptance or rejection by Buyer. Buyer, at its sole option, may inspect all or a sample of the Goods and Services, and may reject all or any portion of the Goods or Services if it determines from such inspection that the Goods or Services are nonconforming or defective. If Buyer rejects any portion of the Goods or Services, Buyer has the right to: (a) rescind this Agreement in its entirety; (b) accept the Goods or Services at a reduced price; or (c) reject the Goods or Services and require replacement of the rejected Goods or Services. If Buyer requires further processing or replacement of the Goods or Services, Seller shall, at its expense, promptly replace the nonconforming or defective Goods or Services and/or pay for all necessary processing and related expenses, including, but not limited to, transportation charges for the return of the defective goods and the delivery of replacement Goods or Services. If Seller fails to timely deliver replacement Goods or Services, Buyer may replace them with goods or services from a third party and charge Seller the cost thereof and/or terminate this Agreement. Any inspection or other action by Buyer under this Section shall not reduce or otherwise affect Seller's obligations under the Agreement, and Buyer shall have the right to conduct further inspections after Seller has carried out its remedial actions.

6. Price. The price of the Goods and Services is the price stated in the Purchase Order (the "**Price**"). Unless otherwise specified in the Purchase Order, the Price includes all packaging, transportation costs to the delivery location, insurance, customs duties, labor, materials, equipment, components, fees, costs, and applicable taxes, including, but not limited to, all sales, use or excise taxes. No increase in the Price is effective, whether due to increased material, labor or transportation costs or otherwise, without the prior written consent of Buyer.

7. Payment Terms.

a. Seller shall issue to Buyer an invoice: for Goods, at the time Seller ships the Goods; for Services, at the completion of the Services unless otherwise stated in the Purchase Order. Buyer shall pay all properly invoiced amounts within seventy-five (75) days after Buyer's receipt of both the invoice and the Goods or Services, except for any amounts disputed by Buyer in good faith. Without prejudice to any other right or remedy it may have, Buyer reserves the right to set off at any time any amount owing to it by Seller against any amount payable by Buyer to Seller under this Agreement.

b. Buyer shall at all times reserve the right to suspend any payment(s) if and insofar as Seller has not fulfilled its obligation(s) arising from these Terms and/or applicable law or regulation. In such case, the remaining amount shall not be increased in any way whatsoever, including, but not limited to, an increase due to interest.

c. If Buyer disputes the amount of any invoice or any part thereof, Buyer will pay all undisputed amounts, and the parties will negotiate in good faith to resolve the dispute. Seller shall continue performing its obligations under this Agreement notwithstanding any such dispute.

8. Most Favored Customer. Seller represents and warrants that the price for the Goods and Services is the lowest price charged by Seller to any of its external buyers of similar Goods. If Seller charges any other buyer a lower price, Seller must apply that price to all Goods and Services under this Agreement. If Seller fails to meet the lower price, Buyer, at its option, may discharge its liability under any invoice by paying such lower amount for Goods or Services, or terminate this Agreement without liability.

9. Seller's Additional Obligations Regarding Services.

Seller shall:

a. before the date on which the Services are to start, obtain, and at all times during the term of this Agreement, maintain, all necessary licenses and consents and comply with all relevant laws applicable to the provision of the Services;

e. obtain Buyer's written consent prior to entering into agreements with or otherwise engaging any person or entity, including all subcontractors and affiliates of Seller, other than Seller's employees, to provide any Services to Buyer (each approved subcontractor or other third party, a "**Permitted Subcontractor**"), such consent not relieving Seller of its obligations under the Agreement, with Seller remaining fully responsible for the performance of all Permitted Subcontractor and its employees and for their compliance with all of the terms and conditions of this Agreement as if they were Seller's own employees, and provided that nothing in this Agreement shall create any contractual relationship between Buyer and any Seller subcontractor or supplier;

f. require each Permitted Subcontractor to be bound in writing by the confidentiality provisions of this Agreement;

If Seller's costs are reduced because of changes, Seller shall reduce the Price to reflect all such quantifiable cost savings, whether direct or indirect. If Seller's costs are increased because of changes, Seller shall within ten (10) days of receipt of a Change Order submit to Buyer a firm cost proposal for the Change Order. If Buyer accepts such cost proposal, Seller shall proceed with the changed services subject to the cost proposal and the terms and conditions of this Agreement. If Seller does not submit a firm cost proposal within ten (10) days of the receipt of the Change Order, then Seller shall be deemed to waive any claim for a price increase due to the changes and shall perform the changes without any adjustment in Price.

Further, if at any time the parties determine that Seller's supply is insufficient to meet the actual or forecasted needs of Buyer and forecasted needs of Seller's other customers (whether under contract or not), Seller shall allocate its entire remaining supply to fulfill Buyer's needs first. In allocating the risk of delay or failure of performance of their respective obligations under this Agreement, the parties have not taken into account the possible occurrence of any of the events listed herein or any similar or dissimilar events beyond their control. Therefore, irrespective of whether such listed, the parties agree that similar or dissimilar events were foreseeable as of the date of this Agreement.
